FROM

THE DIRECTOR OF ARCHÆOLOGY,

To

The Education Secretary to Government of
His Highness the Maharaja of Mysore,
BANGALORE.

SIR,

Subject: Promotion of S.Shamanna as Assistant to the Photographer and consequential promotions in the Department of Archaeology.

- - - -

I have the honour to subrit that pursuant to your letter No.E.6850 dated 3rd January 1950 in connection with the above subject, the vacancy has been registered and the Public Service Commissioner has been addressed in the matter of filling up the vacancy as per rules of recruitment in obedience to your instructions.

In view, however, of the urgency of the work in the Photographic Section, particularly in connection with the preparation of the albums, picture post-cards, and the illustrations for the monographs and reports some of which are already in the press and others are being compiled, the promotions as indicated in my letter No.126 dated 6-10-1949 were proposed with the idea of giving the only Photographer of the Department the much needed immediate assistance. It is requested that these may kindly be approved at least till regular arrangements as per your direction are made in the vacancy of Assistant to the Photographer under rules of recruitment. The cost on this account will be less than Rs.20/- for three months and 7 days (from 24th September 1949 to 31st December 1949), and only Rs.18/-p.m. thereafter as against the minimum of Rs.30/-p.m. provided for the pay of the Assistant to the Photographer by virtue of the Government Order sanctioning the post, since Shamanna who is already drawing Rs.29/- will drew Rs.30/- in his own grade with effect from 1st January 1950 and Rangappa promoted as Daffedar will draw Rs.22/- from 1st January 1950 and it has been only in the last place, namely that of peon which is of inferior service, we would incur expenditure. These

arrangements will however be discontinued as soon as other arrangements ~~will~~ are made through the Public Service Commissioner as per rules of recruitment. It is thus requested that Government may graciously be pleased to convey their sanction to the absolutely temporary local arrangement made by me considering the lesser cost, the interest of the work or the Department and the urgency for pushing through the publications and preparing albums and picture-post-cards as per the oral instructions of the Hon'ble the Minister for Education.

Yours faithfully,

L. Narasimhachar
